Benefits of Membership

Information

We offer members access to our knowledge and experience through our online library of free:

- newsletters;
- news releases;
- white papers;
- case studies; and
- surveys & reports.

Expert Advice

Our Enterprise Care staff have many years experience in the Not for Profit sector, and can offer their insight and experience into any issues you may have. We offer members:

- free advice via telephone for basic questions; and
- discounted pricing on our range of consultancy services.

Advocacy

We promote the interests of the Not for Profit sector through regular press releases, submissions to government enquiries and reports, and through publishing the results of our online surveys into industry trends and developments.

Networking/Seminars

Attend one of our regular networking sessions or seminars to further your professional development and meet with other Not for Profit leaders to exchange ideas, discuss problems and analyse sector trends.

Special Offers

Take advantage of our monthly special value offer, with discounts over and above our regular member pricing.

Members are also entitled to various discounts and special offers made available through our Member Benefit Program.

Training & Development

We make it easier for you to expand your governance knowledge through offering a range of:

- publications;
- surveys;
- healthchecks;
- templates;
- checklists; and
- workshops.

About Enterprise Care

Enterprise Care helps Boards, Directors and CEOs to:
