

Personal Remuneration Check-Ups

Note: For purchase by Not for Profit organisations only.

Do you know what you're worth ?

Do you want to keep abreast of market trends in the Not for Profit sector?

Enterprise Care holds the most up-to-date information on Not for Profit sector remuneration for over 50 positions, including CEO. We can benchmark your position against the latest information available.

Simply order online and return the completed Organisation Details form (download the Organisation Details form from the link on your Tax Invoice).

We will then benchmark your level of remuneration for:

- position title;
- organisation expenditure;
- organisation size;
- number of paid members;
- geographical scope;
- headquarters location; and
- organisation classification.

The report contains straightforward, accurate information which is invaluable for your next performance evaluation and remuneration review.
