Annual Resource Subscription Service

The changing dynamics of our workplaces, with flexible hours and work locations now almost a given, give rise to new challenges and uncertainties.

Immediacy of access to reliable resources to make informed and strategic decisions is critical for leaders. Hence we are launching our new Annual Resource Subscription Service.

Our 12-month curated subscription provides access to expertly written [resource materials](#), offering practical value to Directors, Senior Executives and Managers.

Our Checklists and Templates are excellent tools, easy-to-use and readily customisable to suit the needs of your organisation.

Obtain 24/7 online access to succinct and usable resources. For a nominal fee you can have access to over fifty (50) resources, normal retail value over \$15,000.00

This eliminates waiting for special value offers, no more decisions about when and what to buy.

Additionally, gain immediate access to all our new releases.

Everyone in your organisation can be given access to this Publication Resource.

Enterprise Care believes this to be an excellent solution which will better meet the changing demands of our workplaces.

Subscription Fee

Only \$990.00 (incl. GST) for 12 months
