

Benefits

Enterprise Care Membership

Enterprise Care offers a membership program for organisations who are committed to performing better in the field of governance. Membership is from 01 July to 30 June, and comprises a number of benefits, including:

- **Governance Intelligence® Audits**

Members are entitled to participate in a complimentary Governance Intelligence® Pulse Audit per year.

- **Newsletters**

Subscribe as many people from your organisation as you like to the Enterprise Care electronic Newsletter and keep informed of the latest in industry developments. Including analysis, commentary, news and opinion, the Enterprise Care newsletter is your one-stop guide to governance.

- **Monthly Value Offers**

Members are entitled to special offers on a variety of Enterprise Care products and services, including Governance Intelligence® Audits, manuals, ePublications and our range of templates, tools and checklists. Take advantage of our monthly special value offers, with discounts over and above our regular discounted pricing.

- **Expert Advice**

Got a quick question or problem regarding governance? Our Enterprise Care team has many years of governance experience, and can offer insights with any issue you may have. We offer members free advice via telephone or email for basic questions, and competitive rates on our consultancy services for more complex issues.

- **Surveys**

Participation in specialist surveys, including the Remuneration Survey.
